

Please check the level of sponsorship that works for you and the item or event that you wish to sponsor. If there is not an advertising sponsorship that meets your need, we will work with you to develop an opportunity. Be advised that all opportunities are on a first-come, first choice basis. If another opportunity interests you as well, please number your choices in order of preference.

While it would be nice to have your funds immediately, there is not a need to send your check with this form. We are willing to work out a payment plan with you, or a deferred payment schedule. Reserve your opportunity no later than June 30.
